

Challenge C: The Schoology App

1. Open the Schoology App on your iPad. (Remember: it is different than the Schoology Web icon)
2. Sign-in when asked
3. Notice the three bar icon in the upper-left hand corner. This is how you access your menu items.
4. Click on the three bar icon and select “courses”. Select a course that you have, to some extent, set-up with folders and/or assignments.
5. Find, in the upper-right hand corner, the Plus sign icon and click on it.
6. From the options given, choose “Post”, “Add Event”, OR “Add Assignment”.
7. Follow the on-screen instructions until you have created the desired item.
