

Marist High School Technology Plan Overview

Technology Objectives: 1. Replace many or all textbooks; 2. Tools to enhance and expand teaching and learning; 3. Prepare students for technology use in college; 4. Easy access to information and tools on campus and off; 5. Teach students to become active, responsible users of technology rather than passive consumers of content; 6. Equal access to technology; 7. Tools and access which are secure, efficient and dependable for all users.

Technology Committee: Jay Conroy, Rick Gardner, Andy Oldham, Shari Pimental, Reba McClary, Chris Fudge, Chad DePaoli, Ryan Baker
